

# KEY VOTE ALERT!

U.S. CHAMBER OF COMMERCE  
Congressional & Public Affairs  
1615 H Street, NW  
Washington, DC 20062  
202-463-5600

October 23, 2017

TO THE MEMBERS OF THE U.S. HOUSE OF REPRESENTATIVES:

The U.S. Chamber of Commerce strongly urges the House to approve without amendment the Senate-passed version of H. Con. Res. 71, the budget resolution for fiscal year 2018 and associated reconciliation instructions. **The Chamber will include votes on, or in relation to, this legislation, in our annual *How They Voted* scorecard.**

The House is only one vote away from being able to launch the once-in-a-generation opportunity to simplify the arcane tax code and thereby help families who are struggling to make ends meet, help employers create jobs, increase American competitiveness, and foster strong, sustained economic growth.

Congress must pass H. Con. Res. 71 with reconciliation instructions that will unlock pro-growth tax reform, and the Chamber urges you to support H. Con. Res. 71, and oppose any effort to derail this opportunity to bring about tax reform.

Sincerely,

Suzanne P. Clark  
Senior Executive Vice President
